**PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
DOCKETING DEPARTMENT
NOTICE OF FILING
DOCKET NO. 2007-36-E**

APPLICATION OF PROGRESS ENERGY CAROLINAS, INC. AND LYNCHES RIVER ELECTRIC COOPERATIVE, INC. TO ESTABLISH ELECTRIC SERVICE RIGHTS

Pursuant to S.C. Code Ann. § 58-27-650 and 26 S.C. Code Ann. Regs. 103-830, 103-831, and 103-834 of the Rules and Regulations of the Public Service Commission of South Carolina ("the Commission"), Carolina Power and Light Company d/b/a Progress Energy Carolinas, Inc. ("PEC") and Lynch River Electric Cooperative, Inc. ("Lynch River") have applied to the Commission for approval of a territorial agreement establishing the respective service rights of PEC and Lynch River in Chesterfield County, South Carolina.

In their Application, both PEC and Lynch River have been granted assigned territories by the Commission to provide service in Chesterfield County, South Carolina. The Application reveals that a certain portion of the territory assigned to PEC in Chesterfield County is completely surrounded by territory assigned to Lynch River. The northern boundary of the territory in question is the center line of Lenson Mangum Road and is approximately 2380 feet long. The eastern boundary is the existing territorial line between PEC and Lynch River and is approximately 9500 feet long. The western boundary is the existing territorial line between PEC and Lynch River and is approximately 10,030 feet long. The southern boundary is parallel to and 600 feet north of the center line of Will Evans Road and is approximately 4225 feet long. According to the Application, PEC has no existing customers in this area. In order to provide service to this area as economically and efficiently as possible and minimize the duplication of facilities installed to serve new premises in this area, Lynch River and PEC have determined and agreed that it would be prudent for this area to be re-assigned to Lynch River. PEC and Lynch River believe reassignment of this area to Lynch River is both the most efficient and practical manner for providing service to new premises and is in the public interest.

A copy of the Application is on file in the offices of the Public Service Commission of South Carolina, 101 Executive Center Drive, Synergy Business Park, Columbia, South Carolina 29210, the Commission's website at www.psc.sc.gov and is available from Len S. Anthony, Deputy General Counsel, P.O. Box 1551, Raleigh, North Carolina 27602 and J. David Black, Nexsen Pruet, LLC, 1441 Main Street, Suite 1500, Columbia, South Carolina 29201.
